

Last Rock Draw & Rules Revised

From: Peter Smith (peter.smith24@live.ca)

Date: Monday, March 25, 2019, 09:50 a.m. EDT

Thank you for registering for Huntley's "The Last Rock Bonspiel". Please see below for important information to get you started. The official Rules of Play and Draw Schedule are attached. While they are posted on the Last Rock board at the club, we suggest you read them to have a better understanding how the bonspiel will work.

1. Kick Off night on **April 6 will start at 7:15pm** with a drawing of names to add to the pre-placed mystery curlers (2 on each team). Placement of mystery curlers will be revealed after all teams have been filled. We encourage all registered curlers to attend this night to meet your team. However, if you cannot attend and there are dates/times when you are not available to curl during the event, please let Peter Smith know so that he can inform your team so that they can complete their lineup for the week.
2. Betting on teams will start after all teams are filled and all names revealed. You are welcome to bet on your own team or other teams if you believe they will be the winner of The Last Rock Cup.
3. Each curler is required to play 2 games in the round robin and in the play-off round (if your team is successful). Each team will coordinate 'who plays when' through their team captain.
4. The winning team from each pool will received their share in the credit towards the 2019-20 HCC season. Those 4 teams will continue to play for The Last Rock Cup!
5. **Curling starts at 11am on Sunday, April 7**
6. The Bar will be open during each draw and will follow government guidelines.
7. More information about the betting will be circulated to all members closer to the Kick Off night.

If you have any questions or concerns, please contact Peter Smith.

Good Curling to All,
The Last Rock Committee
